

PERSONAL DEVELOPMENT NEWS

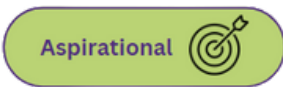

Nothing but the best

22nd March
2024

The final week of the term despite being shorter has been a busy one. We have had the theme of celebration and recognition to end the term in a positive way. The bespoke personal development workshops that we have had running throughout the half term based on "Healthy Relationships" and "Social Media Use", concluded and have been a success. Key Charity who have delivered these will be back in July for our PHSCE day to deliver "Healthy Relationship" input to year 9.

THIS WEEK'S THEME: CELEBRATION AND RECOGNITION

During tutor time this week tutees filled in thankyou notes for members of staff in school. They were also encouraged to consider random acts of kindness they could do for students such as opening doors, asking people how they are and smiling at a student they do not know. The thankyou notes were wonderful to read showing how highly students think of the adults in school who work really hard to support and educate them. The rewards and celebration theme continued with lots of certificates awarded on the final day.

AWARDS ASSEMBLY

On the last day tutor time was spent giving out a huge number of subject awards to those students nominated by staff. The whole school assembly then recognised lots of successes including those with high numbers of achievement points and extra curricular recognition. A very positive end to the term.

NATURAL HIGH

On Wednesday the year 7 students engaged in the Natural High program; a fun, interactive and musical performance. Encouraging young people to reject all negative forms of anti-social behaviour such as taking drugs and gain a 'Natural High' from using their own talents whatever that may be focusing around three main areas of music, sports or academic achievement.

HOUSE COMPETITION:

HOT CHOCOLATE

Hot Chocolate with Mr Lewis this week was to say well done to those who have been working as reading mentors.

HAPPY EASTER

School will now be closed for the Easter break and re-open on Monday 15th April. We wish all of our students and their families a happy Easter break.
