Dear Parents,

Revision Technique Evening

I would like to take this opportunity to invite you to our revision technique evening on **Wednesday 10th November, 5.30-6.30pm.**

We often receive feedback from parents who ask how they can support their child's revision, particularly in preparation for GCSE examinations. As a result, we have decided to offer an opportunity for us to share a range of revision techniques and advice with parents of students in Year 11. We feel this would be an excellent chance for you to develop further understanding of ways in which you can support your son/daughter during their GCSE year.

Date: Wednesday 10th November 2021

Time: 5.30-6.30pm

Location: Theatre

The session will be delivered in an interactive manner to parents (and students should they wish to attend) to practise the support strategies shared. However, I would like to reassure you that we will not be expecting any parents to engage in activities that include subject specific GCSE content so there is no need to revise any Science or Geography in advance of the evening! The evening will provide us with the opportunity to work together, ask questions and develop knowledge of revision techniques in a relaxed and informal environment so we can further support your son/daughter in the future.

Please complete the reply slip provided and return to the school office or via your son/daughter's personal tutor by 8th November. It is not compulsory for your son/daughter to attend but you may feel it is appropriate for them to come along too.

If you have any further questions regarding this event, please get in contact via enquiries@wellfieldacademy.org

Yours faithfully,

Mrs VJ Day
