

## Wellfield Academy

Executive Headteacher Mrs L Gwinnett  
Head of School Mr J Lewis

16<sup>th</sup> September 2022

Dear Parents/Guardians,

As part of the school's commitment to improving students' literacy, our teaching staff have been implementing the Endeavour Learning Trust Reading Strategy over the last academic year. As we continue to embed different reading interventions and classroom practices across all academic subjects, it is now time to promote and encourage 'reading for pleasure'.

Research has shown that students who read more regularly will have greater academic success across all subjects. It improves their vocabulary, comprehension and opportunities in their future. Rather than issuing students with a reading book, it is important to teach students how to choose an appropriate reading book for themselves.

With this in mind, and with the support of the Wellfield PTFA, we have been able to invite the **Scholastic Book Fair into our school from 21st- 26th September.**

As we endeavour to transform pupils' academic success and personal wellbeing, we will be presenting your child with a £6 voucher that they will exchange for a book of their choice from the book fair. Your child is welcome to bring in extra money if they wish to purchase a book of a higher value.

If you would like to browse some of the amazing texts that are on offer or are interested in purchasing from the Scholastic online shop, please follow this link: <https://bookfairs.scholastic.co.uk/parents>

Spending with Scholastic earns free books for the school to stock the library full of the best new books and resources.

With the fantastic range of genres on offer, we are sure your child will select a book that they will thoroughly enjoy.

Kind regards,

*Miss N Snowden*

Miss N Snowden  
Lead Practitioner of English.
