

# Home Internet Use Agreement

I want to use our computer and the Internet. I know that there are certain rules about what I should do online.

I agree to follow these rules and my parents agree to help me follow these rules:

I will not give my name, address, telephone number, school, or my parents' names, address, or telephone number; to anyone I meet on the computer.

I understand that some people online pretend to be someone else. Sometimes they pretend to be kids, when they're really grown ups. I will tell my parents about people I meet online. I will also tell my parents before I answer any e-mails I get from or send e-mails to new people I meet online.

I will not fill out any form online that asks me for any information about myself or my family without asking my parents first.

I will not buy or order anything online without asking my parents or give out any credit card information.

I will not get into arguments or fights online. If someone tries to start an argument or fight with me, I won't answer him or her and will tell my parents.

If I see something I do not like or that I know my parents don't want me to see, I will click on the back button or log off.

If I see people doing things or saying things to other kids online I know they're not supposed to do, I'll tell my parents.

I won't keep online secrets from my parents.

If someone sends me any pictures or any e-mails using bad language, I will tell my parents.

If someone asks me to do something I am not suppose to do, I will tell my parents.

I will not call anyone I met online, in person, unless my parents say it's okay.

I will never meet in person anyone I met online, unless my parents say it's okay and I am chaperoned

I will never send anything to anyone I met online, unless my parents say it's okay.

If anyone I met online sends me anything, I will tell my parents.

I will not use something I found online and pretend it's mine.

I won't say bad things about people online, and I will practice good Netiquette.

I won't use bad language online.

I know that my parents want to make sure I'm safe online, and I will listen to them when they ask me not to do something.

I will help teach my parents more about computers and the Internet.

I will practice safe computing, and check for viruses whenever I borrow a disk from someone or download something from the Internet.
