

Do Now: Think about the pictures below.
What might our assembly be about?

Attendance and Success

Hands up if you got over **90%** attendance
last year

Hands up if you got over **95%** attendance
last year

Hands up if you got **100%** attendance
last year

This is Simon.

**He was in Year 7
last year.**

**He had 90%
attendance at the end
of the year.**

**Simon's parents are really pleased and
think this is great.**

But...

But...

90% attendance =
1/2 day missed every week!

Monday		Tuesday		Wednesday		Thursday		Friday	
am	pm	am	pm	am	pm	am	pm	am	pm

1 school year at 90% attendance =
4 whole weeks of lessons MISSED!

90% attendance
over 5 years of
Secondary School...

= 1/2 a school year missed!

Discuss: How might this effect Simon's life?

Friends

Less clubs & Trips

More homework

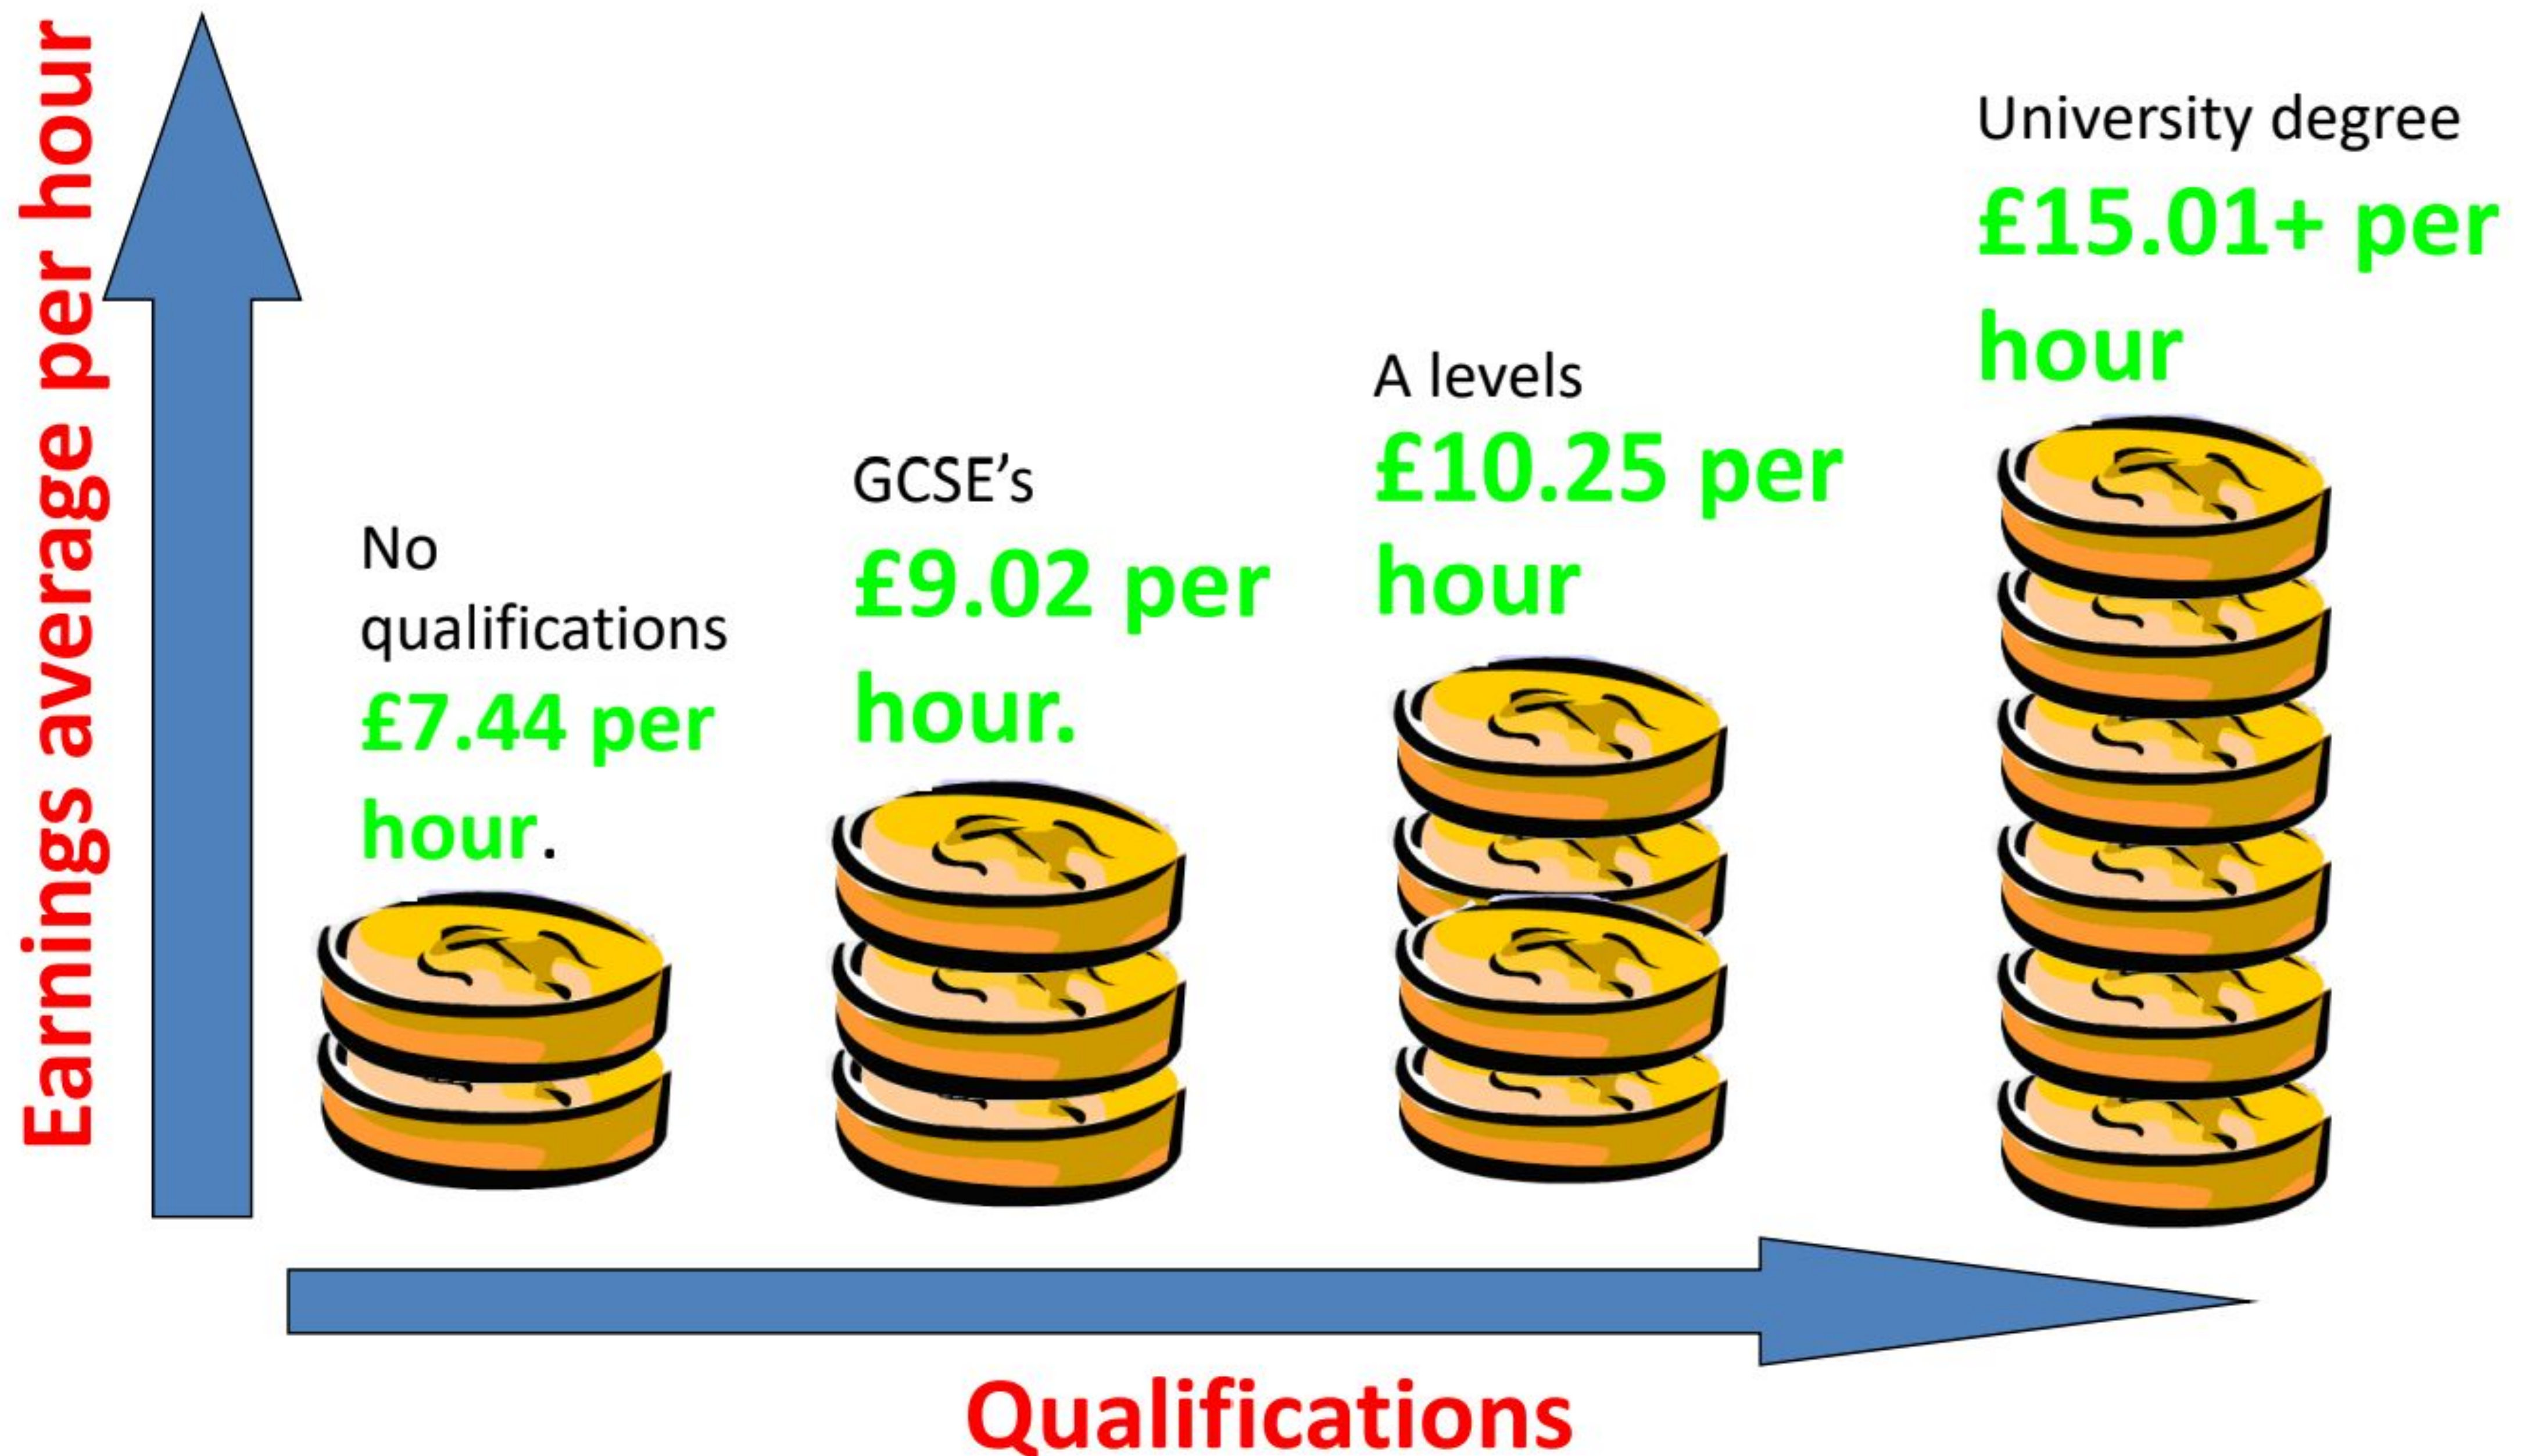

Less qualifications

Less choice of jobs

Less Money

Fact Number 1: So people with high attendance get better qualifications, but does this really matter?

Better Attendance + **Better Qualifications** = **£££'s**

Fact Number 2: Pupils leaving with top grades at school, over a lifetime, will earn £350,000 more than those pupils who don't.

2 x Ferrari
California

or

A **4** bedroom
detached house

or

350 x luxury
holidays

What do *you* want for *YOUR* future?

So **90%** is **not** as good as it first seemed.

**What could I do to
improve my attendance?**

Be **resilient** and try to come in to school even if you don't feel great

Let us know if there is an issue that's making you not want to come to school so that we can help

Be **aspirational** and remember to focus on your goals for the future

So... How are **we** going to
improve?

HALF TERM AWARDS

Best Form Attendance Trophy
