

7 SCHOOL PRIORITIES

1

To ensure that our teachers receive up-to-date and consistent training focused on

- o developing good assessment,
- o differentiating work for every student's needs
- o increasing the challenge for those students who need to access higher grades.

2

To improve the quality of students' written work. To focus on content, pride and completion of all work.

3

To ensure every child is focused on work alone in classrooms. To tackle any children who focus on other distractions or silly behaviour in school.

4

To further improve our support systems in school, in order to help every child to achieve.

5

To have a firm and consistent school-wide focus on attendance and punctuality to school.

6

To ensure every subject leader in school quality assures teachers on a regular and consistent basis, working with senior leaders.

7

To increase the opportunities for our students to become leaders, to listen to their views more and to develop their characteristics to be good learners.
