Dear Parents/Carers

As a school we are constantly striving to raise the standards of our young people to ensure that they are responsible and valued members of the school and wider community. We would like to address the standard of uniform after the Summer break.

Werneth School has a uniform policy because smart standards of uniform are related to good behaviour and high standards of achievement. It also helps to reduce bullying and takes pressure off families to buy fashion items for school. We therefore expect that students will not only wear the correct uniform, but also wear it properly at all times, on the way to and from school and during the school day. To support this after the summer break any student arriving to school without the correct uniform will be challenged and spare uniform will be given to those students not in full uniform.

Students who dress smartly and correctly will be recognised and rewarded.

With this in mind I ask you ensure that your child arrives in the appropriate uniform, a copy of the school's acceptable uniform is attached to this letter.

Parents/carers should pay particular attention to the following areas:

**Shoes:**

These must be plain black **shoes (not trainers)** and below the ankle. We do not allow black shoes with coloured markings or white stripes around the sole. We do not expect you to buy expensive shoes for your child and please do not bow to child pressure to buy labelled footwear which are not necessary at all. We need parents/carers to support us in this. We are currently operating a shoe exchange system which means that if your child does not arrive in plain black footwear below the ankle, he/she will be asked to exchange their footwear for the day and wear our school shoes in their size. This is non-negotiable.

**Skirts:**

We have become increasingly concerned about some of our girls' skirts this year which are clearly not school skirts and are very short and tight. We will not allow the girls to wear any skirt other than that on the uniform list. The girls, of course, can wear school trousers instead of a skirt if you wish.

**Socks and Tights:**

These should be plain black.

**Hair:**

Hair colour must be natural. We do not allow unnatural hair colours of any type either part or full head. Shaved pattern styles are not permitted.

**Jewellery and Piercings:**

Jewellery permitted is a wristwatch and a small pair of studded earrings. Facial piercings are not allowed at all.

We appreciate school uniform can be a burden on our families but it exists for the purpose of consistency, loyalty to the school and equality. Please support our school in ensuring your child conforms to all aspects of our uniform policy and send your child back to us in September 2021 in perfect Werneth uniform.

Regards

Dan Willis

## Appearance

Students at Werneth School wear uniform and have a code of appearance. All uniform and PE/Expressive Arts Kit requirements are obtainable from our suppliers Monkhouses and Bonnie Bouncer. School uniform is worn for visits, which take place during the school day, but this regulation is waived when other clothing is more appropriate, e.g. on Geography Field Study visits, at college or work placements. For visits outside school hours, students are asked to present themselves suitably dressed for the particular occasion.
