The icon below is what you will see on EduLink to update your details..

The screenshot shows the EduLink app interface. At the top, there is a navigation bar with a gear icon, a profile picture, and the text 'Hello, Parent Name'. On the right side of the navigation bar, it says 'DATA COLLECTION'. Below the navigation bar, there is a sidebar menu with a back arrow icon and three items: 'Parent Name' (highlighted in blue), 'Child 1', and 'Child 2'. A modal form is open over the 'Parent Name' item. The form has a close button (X) in the top right corner. The form is divided into two sections: 'Basic' and 'Contact Details'. The 'Basic' section contains three text input fields: 'Title', 'Preferred forename', and 'Preferred surname'. The 'Contact Details' section contains a small text block with a privacy notice and a green 'SAVE' button. The privacy notice reads: 'General Data Protection Regulation (GDPR): The school has a duty to protect this information and to keep it up to date. The school may be required to share some of the data with the Local Authority and with the DfE.'

**PLEASE DO NOT FILL OUT A DATA COLLECTION SHEET IF YOU CAN ACCESS THE APP AND UPDATE YOUR DETAILS.**
