## Werneth School

**has a uniform policy because having pride in our appearance translates into pride within school for standards of work. A smart uniform is one factor in maintaining high standards and we also know that it takes pressure off families to buy fashion items for school.**

We therefore expect all students not only to wear the correct uniform, but also to wear it to and from school and during the schoolday.

It is inevitable in any school that some of our young people will push uniform boundaries. We ask for parents' support in enforcing these standards: unacceptable clothing will be confiscated and students who are inappropriately dressed may be sent home if issues are not resolved.
