

Apprenticeship Advice

WHERE?

'Find an Apprenticeship' is the place to find most Apprenticeship opportunities:
www.gov.uk/apply-apprenticeship

Other places to look are:

NotGoingtoUni www.notgoingtouni.co.uk

GetMyFirstJob www.getmyfirstjob.co.uk

Indeed www.indeed.co.uk

HOW?

'Create an Account' on the Find an Apprenticeship website, which allows you to:

- apply for an apprenticeship or traineeship
- track your apprenticeship applications
- receive alerts about new apprenticeships

Another method is to send a CV and cover letter/email to Training Providers who deliver the type of Apprenticeship you are looking for.

WHEN?

Most vacancies will start appearing in the spring (March/April), some will appear in January/February.

So the best thing is to look once a week at this time of year then more frequently in the spring.

WHAT?

Here are Apprenticeships open for year 11 leavers at the moment (within a 10 mile radius from school):

- Systems, Test and Support Engineer Apprentice Level 3 Engineering Technician Apprenticeship with THALES UK LIMITED
Closing date 5th Jan 2021, start date 6th Sept 2021
Annual wage £12,900
- Transport Planning Apprentice with MOTT MACDONALD
Closing date 24th Jan 2021, start date 6th Sept 2021
Annual wage £16,000
