places for our open day will be very limited to adhere with our COVID policies within the studio. We will prioritise year 11 students and places will be issued on a first come first served basis. Any students who are not able to attend must let us know and any students wishing to withdraw their application should also inform us so we can remove your email from our system.

Any students who end up on our waiting list will be offered first choice for any places that become available, and those who cannot attend due to our limited numbers, will be offered the first places on our next open day, this will NOT affect your application.

Students who accept their open day invitation will receive further information on arrival times, changing facilities and staying safe at our studios during your attendance.

If any COVID guidelines regarding vocational education change we will continue to update you.

Due to the ongoing situation we will be assessing all students on the open day rather than holding additional 'in studio' auditions later in the year. Anyone who cannot attend the open day must return an application form with the following:

Dance/Musical Theatre pathway applicants:

1 min solo dance video. (Any style that shows your best abilities, does not have to be original choreography)

Acting pathway applicants:

1 min solo monologue video. (Any style/genre)

Videos are best sent by email in a compressed file or via we-transfer.

Our 2021 application form is attached. This can be downloaded (desktop only), completed and returned by email to info@debut-academy.co.uk

If they have already returned a completed application form they do not need to do this again.
