

West Heselton CE VC Primary School, Keeper Wood Year 3 and 4

Weeks beginning 6th April and 14th April, plus one week holiday.

Weekly Reading tasks

*Daily reading- read a range of different material e.g. a non-fiction book, a car manual, part of a cooking book, a leaflet, a KS2 appropriate newspaper article. Vary your reading and also enjoy your current reading book. If you have the chance, read to an adult, or ask them to read to you. Remember to record your reading in your reading record.

*Read books online using login in logs
<https://www.getepic.com>

*Read Theory sessions. Login details are recorded in your Reading logs. <https://readtheory.org>

*Write 5 questions you would like to ask one of the characters in the book that you are currently reading.

*Literacy shed resources for comprehension work. Complete 2.
<https://www.literacyshedplus.com/en-gb/resource/stage-3-reading-pack>

*Write a new ending for a book that you have read (one detailed paragraph is fine). It must include descriptive detail and be exciting to read!

Weekly Maths tasks

*Daily TT Rockstar practise- children have login in their logs.

*Practise telling the time. This could be done through a game or hands on with a watch.

*Daily Mental Maths
Train <https://www.topmarks.co.uk/maths-games/mental-maths-train>

*Whitrose maths home learning online.
<https://whitrosemaths.com/homelearning/>

Parents - How to use these lessons:

Just follow these four easy steps...

- 1) Click on the set of lessons for your child's year group.
- 2) If possible, print the activity sheet.
- 3) Watch the video (either on your own or with your child) and fill in the activity sheet.
- 4) Find a calm space where your child can work for about 20-30 minutes.
- 5) Use the video guidance to support your child as they work through a lesson.
- 6) Get the answers and mark the sheet with your child, discussing and altering any mistakes.

Weekly Writing tasks

*Literacy Shed resources for writing- <https://www.literacyshedplus.com/en-gb/resource/once-in-a-lifetime-ks2-activity-pack>

*Write a diary entry summarising the events from the last week.

*Write instructions. Write your instructions about something you're interested in. Can you instruct somebody how to swim front crawl/freestyle? Can you instruct somebody how to plant and look after a sunflower? Can you instruct somebody how to care for a dog?
Remember you have to pretend that the person you are writing instructions for doesn't know anything about your interest.

Please remember to use your beautiful cursive handwriting when learning at home.

Weekly Spelling tasks

* Practise the Year 3/4 for **Common Exception** words.

*Practise your spelling on Spelling shed. There are spellings on there for each group for the next 3 weeks.
<https://www.spellingshed.com/en-gb>

*Practise your spelling on Spelling frame
<https://spellingframe.co.uk>

*Choose 5 Common Exception words. Write synonyms, antonyms, the meaning and an example of how to use the word in a sentence. Can the word be modified?

Topic Tasks

Art

*To start our topic off this term we will be looking at Claude Monet.
Can you draw (only using a pencil) one of Claude's masterpieces?
You should take your time and really think about the shape and form.

Science

*Our science topic this term is plants. I would like you to get outside and investigate the different plants around you.

What does a plant need to live?

Draw and label a plant scientifically.

Why are plants important?

Why are certain insects attracted to plants/flowers? What are those insects?

Geography

*Research rivers and water cycles (we did look at water cycles last term)

<https://www.bbc.co.uk/bitesize/clips/zb39jxs> watch this to refresh your memory.

Can you draw your own version of a river and water cycle, label and explain each part and what its job is to do.

Be active

*Keep active by joining in some online child friendly exercise videos, take a walk or run (1 daily amount of exercise outdoors), get out into the garden, pull up some weeds or mow the lawn? Does your garden need a tidy up? Maybe they could plant some seeds.

Recommendation at least 2 hours of exercise a week.

Additional learning resources parents may wish to engage with

[Classroom Secrets Learning Packs](#) - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

The next Keeper Wood weekly tasks will be out on – Friday 24th April 2020
