

West Heslerton CE Long Term Curriculum Plan

Our Curriculum Intent

As a family-orientated church school, children have opportunities to build positive relationships across a multi-generational community, equipping them to be role models in society.

To achieve their academic potential on their life-long learning journey, we provide a safe and supportive environment for children to take risks, make their own learning decisions, work collaboratively and independently.

Whilst making the greatest use of the wide open spaces in our community and the outdoor education this provides, we balance this with a range of visits and experiences, during and beyond the school day, to enhance our understanding of the opportunities and diversity in the UK and wider world.

Our Curriculum Implementation

Heslerton CE Long Term Curriculum Plan

Year A - Autumn Term

	Badger Wood	Keeper Wood	Farthing Wood
