## THINKING DAY

22nd February marks both Scouts' Founders Day and Guiding's World Thinking Day. Beavers, Cubs, Scouts, Explorers, Rainbows, Brownies, Guides or Rangers can wear their uniforms to school on Monday 23rd February instead.

The 22nd February was chosen as it marks the birthdays of Lord Robert Baden-Powell, founder of Scouting, and Lady Olave Baden-Powell, World Chief Guide. Around the world, Scouts and Guides celebrate the day by reflecting on their shared values, thinking about Beavers, Cubs, Scouts, Explorers, Rainbows, Brownies, Guides or Rangers across the globe, and recognising the impact of Scouting and Guiding in their communities.

Taking part in this simple gesture may even help some of the children work towards earning a badge.

**Celebrate the Spirit of Scouting and Guiding – February 23rd**  
As February 22nd falls on a weekend this year, we'll be celebrating the spirit of Scouting and Guiding on Monday, February 23rd!

All young members — from Squirrels, Beavers, Cubs, Scouts, Explorers, Rainbows, Brownies, Guides, and Rangers — are warmly invited to wear their uniforms to school with pride.

This special day is an opportunity for everyone in the Scouting and Guiding community to renew their promises together, and to reflect on how the timeless values of Scouting and Guiding continue to inspire, unite, and remain relevant in our ever-changing world.

If you require this information in a different format, please contact the school office.

Revd Cate Turner continues to visit this term to support children. Please contact school if you think your child would benefit from speaking with her.

### MOBILE TECHNOLOGY REMINDER

Children are not permitted to have mobile phones or smart watches in school. If they need to bring these, they should be handed to the school office for safekeeping. This keeps children with no photo permissions safe from photographs, keeps internet access safely filtered and keeps expensive items more secure. Thank you for your help.

### RELIEF TEACHING ASSISTANTS

We are always keen to hear from people who would wish to join our team. We are currently looking to appoint some relief teaching assistants. We'd love to hear from you if you'd like to assist in classrooms supporting teachers. There are no set hours for this role, we'll get in touch when we need cover in classes, at lunchtimes or after school. A clear DBS will be required for safeguarding reasons. Please contact the office for a person specification and application form.

## MY HAPPY MIND

We are teaching every child about how their brain works through the My Happy Mind programme, a project funded by the NHS. It teaches children in fun ways to understand how their mind works and detect when there are changes. When children experience these they can be self-aware and help their own mental wellbeing. This programme comes with an App for parents accessible with a link. We will provide parent emails to the NHS My Happy Mind Team to send you a link unless you opt yourself out of this communication. You can opt out at any time after receiving their first correspondence. Please opt out by contacting the office by noon on Monday 19<sup>th</sup> January. Please look out for updates on our brain topics on newsletters as the term progresses.

## SCIENCE

Dr Free (from Malton Secondary School) came into Keeper Wood to teach the children about 'Changing States'. Year 4s pretended to be solids, liquids and gases, by moving around the classroom. The children made ice and ice-cream using ice and salt to help. We saw a balloon fill with carbon dioxide from a bottle of water. We learnt that all matter has mass, you can touch it and it takes up space. An amazing afternoon. 😊 The children also learnt that everything is made of atoms. ☺
