BADGER WOOD

We've continued our journey with the film 'The Way Back Home' and worked on adjectives, synonyms and expanded noun phrases ready to write our character descriptions next week.

We started our new science topic this week... it's all things materials! We went on a materials walk around school to see which we could spot and why they were used for that purpose. We then had fun making a graph... from Lego!... to show the different materials around school.

Next week we shall write our character descriptions in English and it's all things measurement in maths as we explore how to measure in different ways and units.

KEEPER WOOD

The children have been writing letters to Ernest Shackleton, (a famous explorer) to apply for a job on his ship. They decided what kind of job they wanted to do on the ship depending on what their interests were. They had to make themselves sound perfect for the job using lots of persuasive language.

In maths we have been looking at all types of measurement such as cm, mm, km, m, ml, l, g and kg. The children are becoming very confident in converting from one to the other e.g. 1500m = 1.5km.

FARTHING WOOD

Unfortunately this week our rounders competition at Malton was cancelled due to the weather, but we are hopeful that it will be rescheduled later in the term.

This did allow us some extra time to create our 'Blackout Poetry' based on the Ernest Shackleton story. This work is going to be our entry to this year's village show competition in the summer holidays - which means that everyone has put in a huge effort to make sure that their piece has the best chance of winning!

HESLERTON AFTER SCHOOL CLUB

Heslerton After School Club is open to all pupils from 3.30pm-5.30pm Monday to Thursday to relax and have fun with their friends. All children will need to bring a named water bottle, forest school kit and wellies. A snack will be provided.

To book other sessions, please contact the school office or speak to Tom or Lydia at the After School Club. Children need to be registered before they attend their sessions. Sessions cost £8.00 per child. At the end of each session, please collect your child from the wildlife area or buzz the front door. We look forward to welcoming you all to our exciting childcare provision.
