"Children are at the centre of all we do."

NEWSLETTER May 7th 2021

A paper newsletter will be sent home each Friday, you may wish to isolate this for 48 hours before reading it. This will also be on the school website. www.westheslertonschool.co.uk

CRICKET

Many thanks to Matthew Hurran from Yorkshire Cricket who came to school on Tuesday and despite the unseasonable cricket weather spent the morning with children in Badger Wood. The children practised their throwing, catching and aiming skills. Attached to this newsletter is information about cricket coaching going on at the local sports field that children might be interested in.

SCAMPSTON COMPETITION

Thank you to all those families who returned the homework task of Scampston's wildlife club competition. The judges tell us they had a tough job choosing a winner!

We are pleased to say that Scarlet was selected for a runner up prize and wins a ticket for her and her family to attend a family wildlife club session. Well done Scarlet!

ATTACHMENTS

- Bible Story Club – confirmed places
- Cricket flyer -years R-3

HESLERTON AFTER SCHOOL CLUB

Heslerton After School Club is open to all pupils from 3.30pm-5.30pm Monday to Thursday to relax and have fun with their friends. All children will need to bring a named water bottle, forest school kit and wellies. A snack will be provided.

To book, please contact the school office or speak to Tom or Lucy at the After School Club. Children need to be registered before they attend.

Full sessions cost £8.00 per child and a 1 hour session, 3.30-4.30 or 4.30-5.30, costs £5 per child.

At the end of each session, please collect your child from the wildlife area or buzz the front door.

A staff member will sign your child out.

We look forward to welcoming you all to our exciting childcare provision.

BADGER WOOD

In Forest Schools we have focussed on learning some games that we could play at forest schools and at break times. We enjoyed a game of 'Duck, duck, goose' and 'Caterpillar' and 'Queenie'. It has been lovely to see the children playing these games all week!

FARTHING WOOD

On Thursday the class took part in a brilliant workshop 'virtual rockpooling' with North York Moors Trust, learning about what can be found in rock pools: anemone, limpets, crabs, fish (like gobys and blennys), winkles, barnacles and long-spines sea scorpions. We then looked at a range of shells in class and tried to work out what they were. We had lots of fun!

KEEPER WOOD

We have been asked by Morrisons Community Champions to send kind and cheerful messages to people in our community. These messages have been added to colourful postcards, completed by the children.

The children have been working upon their stories this week.
