A LOVELY COMMENT FROM ALBANWISE

We all really enjoyed our planting day and working with the children, they were a credit to the school.

KEEPER WOOD QUICK ROUNDERS

The children in Keeper Wood will be taking part in a quick rounders event at Malton Community Sports Centre on **Wednesday, 3rd May**.

The children will travel with Fletcher’s coaches and be accompanied by Miss Shackley and Mrs Triffitt. We will leave school at 12.30 and return for the end of the school day.

Pupils will need to come to school in their PE kit and take their own inhalers if necessary. School carries insurance for all school trips. In case of emergency please contact the school.

WELL DONE FROM MRS WELLS

We are always on the lookout for superstars! Next week, I will be looking for moments of faithfulness, linked to our worship. I know there will be lots of super moments to celebrate.

EAST BARNBY MEETING

There will be a meeting for parents and children to discuss details of our East Barnby trip. This will take place in Keeper Wood classroom on **Thursday 25th May at 3:30pm**. Please join us. We hope this will give you time to gather all equipment your child will need.

USE OF SCHOOL PREMISES

We work hard to look after our school premises and provide after school fun for all pupils. Please can we remind you that school grounds should not be accessed beyond school hours, trespassers will be prosecuted. This is to keep the grounds safe and resources secure for pupils use.

WHOLE SCHOOL BEACH DAY

On Friday 19th May, we're taking our forest school skills to the beach to explore a different environment.

The children will need to bring a packed lunch if not ordered through school, drinks only in cartons please, no cans or bottles.

The children will need sun hats and sunscreen and will need to wear sensible footwear. We'll share more details of activities nearer the time.

McCain 10k RUN

We are delighted that we have joined forces with McCain to participate in their 10k run (6 miles). Parents, staff and friends of the school are invited to register their interest in a funded place. The run will take place on **Sunday 15th October**. The 10k race for adults will be followed by 2 fun runs for children. Fun run entries are arranged on the day. More details will be announced in the coming months. Adults wishing to gain a place in the 10k are asked to register their name and email address with the school office please by **Friday 12th May**.

If you require this information in a different format, please contact the school office.

BADGER WOOD

MATHS- RECEPTION

We have been practising counting up to 20 and then back to 0. The children all agreed it's much easier counting upwards! They "built a house" as they counted, I'm sure they will explain more at home!

KEEPER WOOD

FOREST SCHOOLS

We started making our own Keeper area in Keeper Wood. The children have worked hard, together to carry huge logs to our new area.

FARTHING WOOD

We began working on the first Project towards our Platinum Green Trees Award. It is entitled 'A woodland perspective' and we spent time looking at our environment from different viewpoints. We then drew and took photographs of these to record our observations.
