SCHOOL

Staff

We are sorry to be saying goodbye to Mrs Butler at the end of term. Mrs Butler has worked at West Heslerton School for 36 years. She has been a huge support to the school both in the office and also hearing the children read. We will miss her and wish her well in the future.

If families would like to contribute to a leaving gift for Mrs Butler and Miss Stones, please send money in envelopes to the school office.

Mrs Wells has recently undergone planned surgery and will be recuperating at home for the rest of the term. She will be in regular contact with school and hopes to see the children prior to the end of term.

Dates

We have lots happening before the end of term, sadly without parents due to the current restrictions, but we will put photos on Dojo for you to share.

Friday, July 16th -school performance finale

Monday, July 19th – whole school sports afternoon, for pupils only, in class bubbles

Friday, July 23rd – school closes for the summer holidays at the usual time.

VISIT

The children in Keeper Wood will be spending 2 nights at Carlton Lodge near Thirsk next week. We hope they, Miss Shackley and Mrs Triffitt have an amazing time. We look forward to hearing all about it when they return.

COVID

Should you have **any Covid test results**, please share these with us using covid@heslerton.n-yorks.sch.uk so that we can alert Health England and all families as soon as possible to any contact (within 48 hours) that has taken place. **Results still need to be reported during the school holidays to allow track and trace to take place.** Emails are checked daily, including weekends, to identify cases of children at school and home.

Pupils, staff and other adults must not come into the school for at least 10 days if:

- they have one or more coronavirus (COVID-19) symptoms.
- a member of their household (including someone in their support bubble or childcare bubble if they have one) has coronavirus (COVID-19) symptoms.
- they need to quarantine having recently visited countries outside the green area
- they have had a positive test.

BADGER WOOD

Collecting adjectives, we felt inside the mystery boxes! Sloppy, slimy and horrible were used to describe the jelly! We then used these adjectives in our writing to design a sandwich to stop the seagulls eating Mr Grindling's lunch.

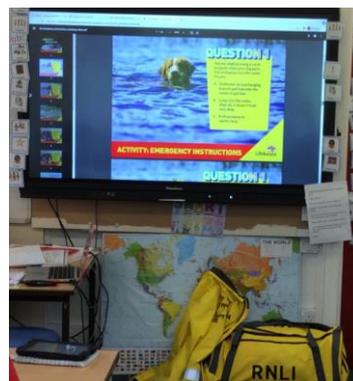

"God saw everything that he had made and it was good." Today in RE the year 1s and 2s debated how God would feel about the world today.

FARTHING WOOD

Mr Watts, who is an RNLI volunteer, visited us in class. We learnt about: differences in coasts; how to minimise risks; what to do in an emergency and the role of the RNLI

KEEPER WOOD

Keepers have designed our new bug hotel. They then dismantled the old one, showing fantastic team work. We found a new location for the hotel and started to build up the first layer.

If you require this in a different format, please contact the school office.
