WHOLE SCHOOL BEACH DAY

All Stars Cricket is aimed at children aged 5-8 and provides an eight-week programme full of activities, skill development and fun. ✅

Launching from the 5th May, more than 70 clubs across North Yorkshire will roll out the All Stars programme, run by qualified activators. Children will earn stars in their own activity booklet through the eight weeks, with skills including batting, throwing, catching, bowling, running, teamwork and communication. 🍌🍌

The children will receive a goodie bag including a cricket bat, cricket back-pack, cricket ball and personalised cricket t-shirt. 🏏🎒🏏👕

CRICKET FOR 8 - 11 YEAR OLDS

Dynamos Cricket, which compliments junior cricket and is the progression from All Stars, is for children aged 8-11 years. The children use soft balls and a light wooden bat. 🏏

With a more 'game-based' focus, Dynamos aims to get participants ready for matches whilst learning the rules of cricket along the way.

A spokesperson for Dynamos said:

"Dynamos Cricket is fully inclusive and designed to support all abilities, disabilities and different learning needs. It is safe and fully accredited."

The price is £40 for the 8 weeks programme and participants receive a personalised New Balance Dynamos Cricket t-shirt with their name and number on the back.

With links to the '100' competition, participants will receive and collect 'Match Attax' cards of their favourite players over the 8 weeks. If you're a graduating All Star or keen to give cricket a try Dynamos is for you!

Wander with Wanda

Look out for Wanda, NYCC's walking mascot, who is waiting in the village. During the summer term, we hope to have some wonderful sunny days where children can walk to and from school. Can you spot Wanda? Drop off and collect your child from Wanda to avoid the traffic and increase your child's daily activity.

BADGER WOOD

FOREST SCHOOLS (week 3)

We have been inspired by a programme called 'Come Outside' (some of you may remember it) with a dog called Pippin. We have found our own stick dogs, used our knot tying skills to attach a lead and have taken our dogs for a walk. The dogs have had fun in the tree tunnel and in the puddles we have found!

KEEPER WOOD

Malton Community Sports Centre
Keepers played rounders against other schools. Well done to both our teams!

FARTHING WOOD

Another great afternoon with pupils from Norton Primary School, investigating different perspectives in the woods.

CORONATION COMPETITION

Would your child like to design an armour for King Charles III?

The Royal Armouries have launched a competition for all primary and secondary school children to celebrate the coronation.

Children have until 2nd July to get creative and design a new armour for the King, with three age categories and VIP tickets to our Jousting Tournament in August as a prize for each category. The overall winner will be put forward to be made into a suit of armour for His Majesty.

Children can take inspiration on how to decorate the armour from the history of King Charles' life, his personal passions, or the armour of previous Kings throughout history.

[For inspiration and more information, please visit our website.](#)
