A LOVELY COMMENT RECEIVED THIS WEEK

Thank you very much for the commemorative coins school gave out to the children on Friday to celebrate the Kings Coronation. It was a kind and thoughtful gesture and something for them to treasure. Much appreciated!

WELL DONE FROM MRS WELLS

We are always on the lookout for superstars! Next week, we're encouraging everyone to walk some of the way to school. Please try to wander with Wanda, our walking mascot in the village – send your photos of your child with Wanda as you walk to school to admin@heslerton.n-yorks.sch.uk

ONLINE MESSAGING

Can we please remind parents about the age restrictions on messaging apps and ask parents to oversee messages being sent and received outside of school? Occasionally, children can send text messages to their friends and these can be misunderstood. Often, these messages are sent via apps that are not considered suitable for the primary age of our children at school.

FARTHING WOOD

GREEN TREE AWARD

Congratulations for completing the first challenge towards our Platinum Green Tree Award: only one more challenge to go! We also had time to start making some bee hotels!

IPAD MINIS FOR SALE

We have 11 version 9 iPads left. These are Versions 9 and come with a Survivor cover so very tough. These iPads do not support the latest apps. However, they can still be used to do many tasks: cast films from the internet on smart TVs, browse the internet. Play internet games e.g. Spelling Shed, TT Rockstars. These are supplied with a plug and recharging cable.

We would like £10 donation to school for Version 9. These machines will be offered on a first come, first served basis.

KEEPER WOOD

COLLAGE

In art this week, the children have designed and created their Henry Matisse inspired collages. They had to think about texture and colour.

BADGER WOOD

Some of our caterpillars have started to hang from the top of their home. I wonder if the children can predict what will happen next...

PE

We have completed a carousel of throwing, catching and bouncing games, recapping all the skills we have learnt so far!

We will be focussing more on catching over the next few weeks to continue improving this skill.
