FRIENDS MEETING

Meeting 15.05.23

Present : Rachel, Nat, Anna, Kerry, Emma P, Emma J, Rosanne, Chloe

Sponsored walk Friday 26th May 1.30pm. Waiting for route to be confirmed, will be pushchair friendly but no dogs. If weather is bad this will be rearranged. Cans of pop and ice lollies to be sold at the end to raise extra funds. 50p and £1. Available to all. Please send in forms and money back after half term.

Sports day - Weds 19th July. Reserve Thurs 20th July. Refreshments to be sold again. Picnic afterwards on the field for everyone.

Leavers party- unfortunately we can not go back to the leavers party of old days for many reasons including Health and safety, risk assessment and safeguarding. So we will hold a celebration for the children, no siblings or parents. Year 6 have been asked what they would like for the activities on the field. Leavers Hoodies have been ordered and will be handed out soon so the children can enjoy them. These are paid for by Friends of west Heslerton school with a £5 contribution by parents.

Playground markings - we wanted to get the playground markings redone. We have got some ideas and designs from the children and different companies but unfortunately there is a huge problem with the drains. This means that schools are waiting for NYCC to come and dig up the whole playground, fix the drains and relay the playground at some point this year. Until this is done we can not spend thousands of pounds on the markings. This is something that is still in the plan to do and we'll continue to fundraise for this project.

We will have an AGM some time in September. DATE TO BE CONFIRMED

If you require this information in a different format, please contact the school office.

SCHOOL PLAY

We are looking forward to hosting our play week from Monday 10th July. This will produce a performance featuring all children in the school. Performances will be held in the school hall on Friday 14th July at 1.30 and 6pm. Ticket information will be sent out next week.

The play will be written and performed by pupils at the school. It will be called Treasure Bay Pirate Fest. **All children will need a white T shirt and black shorts as their costume please.** If you have a pirate hat or any pirate accessories, these would be great. Please keep your eyes open at home for any bits that may be useful! We look forward to welcoming you all to our production later this term.

INCLUSION AND EQUALITY

Your support for your child's education is crucial to their progress. Please tell us if there is any adjustments we need to make to help you support your child, for example: letters in large font; letters in different languages; wheelchair access; explaining things over the phone; a discussion with a school colleague of the same gender.

**Are you a parent/carer (or grandparent) of a child with SEND?
Do you sometimes feel overwhelmed with things being unfair?
Are you passionate about inclusion and being part of positive change?**

We at Dingley's Promise are passionate about inclusion and are currently working in your area to improve things for young children so that they can take part in early years provision (childminders, day nurseries, preschools, and school nurseries). We know all too well that many families with young children with SEND are not able to take up their full early years entitlements at the moment. We also understand the huge impact this can have. Our Comic Relief funded project is delivering training in your area to turn that issue around. We have 6000+ early years staff signed up across 21 areas taking part, and over 96% of those who complete it saying they can take more children with SEND as a result. We want to reach more!

We already have a small number of brilliant parent/carers who are helping to spread the word locally and are having a HUGE impact. Just knowing about the project and telling a few other people about it can help us to achieve our aims. They also tell us that being part of this project, linking up with other parents and connecting with us every now and then is helping them in the following ways;

- Being part of positive change
- Feeling heard
- Making connections, friendship, and peer support

We would like to invite you to a short meeting to find out more about who we are, what the project is about, and how you can help spread the word in small ways (and if you have time larger ways too).

Remember, many hands make light work, so please, please also share this invitation to ANY other parents, carers, grandparents or other local support organisations or networks in your local authority area.

Change Makers Early Years Inclusion Project Open Parent Meeting 13.6.23, online from 7-8.30pm

The meeting will take place online for ease on the **13th June from 7-8.30pm** and we will be joined by some of our existing parents. Please follow the link here to book your place and find out more!

[Change Makers Early Years Inclusion Project Open Parent Meeting Tickets, Tue 13 Jun 2023 at 19:00 | Eventbrite](#)

The meeting is for any parents/carers, grandparents or any other support networks and organisations in your area who want to know more and be part of positive change.

At the session you can join with or without your camera on, and feel free to share your experience and ideas in the chat if you wish! You will meet the national project leads, here what the project is aiming to achieve and hear how successful it is so far. We will also share how are parent/carers already involved have been crucial to its success, and how you might get involved.

We very much hope you can join us in this inclusion movement!

NB Local Authority areas who are currently taking part in our project include: Bournemouth Christchurch and Poole Council, Dorset Council, Lambeth Council, Slough Borough Council, Solihull Metropolitan Borough Council, Southampton City Council, Swindon Borough Council, Reading Borough Council, Wiltshire County Council, Worcestershire County Council, Birmingham Bristol, Calderdale, Gloucestershire, Herefordshire, Manchester, North Yorkshire, Redbridge, Somerset, Wandsworth.

COLLECTIVE WORSHIP THEME - PATIENCE

We have been learning about 'patience' in worship this week. We have been looking for this each day in all aspects of school. We'd be delighted to hear of examples of children demonstrating this at home.
