SENT HOME TODAY

Following our visit to the beach last half term, we are focussing upon raising funds for the RNLI this half term.

Lifeboats

Every **little pot** you fill makes a **big difference** to so many people's lives.

From the **lifeboat crews** you protect in all weathers, to the **families** waiting for their safe return.

From the **people you give hope** to while waiting for rescue, to the **loved ones** you reunite them with.

From the **lifeguards** you keep trained and ready, to the **children** you equip with open water survival skills.

People on **our own shores** and **around the world**, in countries at most risk of drowning.

Thank you for being part of our mission to save every one.

And for continuing the legacy of **Betty Frith** – the mastermind behind Betty's 5p Pots.

The Royal National Lifeboat Institution (RNLI), a charity registered in England and Wales (209603), Scotland (SC037736), the Republic of Ireland (CHI 2678 and 20003326), the Bailiwick of Jersey (14), the Isle of Man (1308 and 006329F), the Bailiwick of Guernsey and Alderney, of West Quay Road, Poole, Dorset, BH15 1HZ
