COVID

DfE guidance states: Children and young people with COVID-19 should not attend their education setting while they are infectious, minimum 3 days.

If you are at all unsure, please contact school and we'll do our best to help you.

FRIENDS OF SCHOOL

There will be a meeting of Friends of School on **Wednesday, July 6th at 2.30pm** in school. All parents are welcome to come along, have a cuppa and chat about upcoming events, fundraising ideas etc. Do come along, share your ideas and meet new parents.

UNIFORM SWAP

Friends of School plan to run a uniform swap stall at the upcoming sports day.

With the cost of living rising hugely, we are trying to find ways to make it a little easier on everyone - this is where the Uniform Swap Stop comes in.

Parents can bring/donate uniform to the stall - items can be all things to support the children through school: uniform, bags, swimming kits, wellies, forest school kit and footwear etc.

For each item a parent donates, they can take that number of items. If a parent donates 5 items, they are welcome to take 5 items. If a parent has nothing to swap it would be expected for a cash donation to be made. Any funds raised will be used to buy resources for the school. At present, school would benefit from spare knickers, pants and socks for school stocks for accidents. We will be setting up with a gazebo, table and maybe a little bunting to make it look inviting at sports day. Please have a sort through at home and see if there are items that others could benefit from.

format, please contact the school office.

BADGER WOOD

The year ones have been very busy making and eating sandwiches and wraps. They have been learning about where food comes from and what makes a balanced diet. Last week they designed the sandwich or wrap that they made this week.

KEEPER WOOD

The children in Keeper Wood have planted sunflowers. Thankfully Mrs T had some sturdy ones that we could plant, the ones in class didn't grow too well.

AFTER SCHOOL CLUB

This week we have been firing up the pizza oven, making gluten-free pizza dough and decorating our pizzas with a variety of tasty toppings!

EAST BARNBY

East Barnby payments can now be made on Parent Pay. Many thanks.

SING UP DAY

This year we will be taking part in the national Sing Up celebration. All children shall be meeting together on the school field on Tuesday 5th July on the field at 3pm to sing together. We'd love for parents and families to come and join us to view (and sing too if you wish).

The song that all children across the country will sing is Love as our guide and can be found on YouTube. Please have a practice at home with your children and come along and take part!

WEST HESLERTON FC

West Heslerton FC Under 8's are looking for boys and girls to join their team.

We will be starting pre-season training in mid-August. Training is Saturday mornings and matches in the Scarborough league take place on a Sunday morning. Players must be in academic year 3 as of September 2022.

Any interest or questions should be directed to Adam Simpson 07803571765.

SCHOOL UNIFORM ORDERS

Due to the rising cost of fuel on deliveries, uniform orders will be collected up and delivered in bigger bundles. This will maintain the current cost of schoolwear. Please order any schoolwear you need for September online

at <https://www.edgeclothing.co.uk/store/West-Heslerton-School-c122857512> by Friday 8th July. These items will be delivered to school by the end of term. Parents are also able to purchase online and have home delivery if they are willing to pay for Royal Mail delivery at £4.99 (Royal Mail's second class signed for service). Parents and children are able to come down to the Eastfield store outlet to try on garments for size and also purchase instore too.

From September, we plan to have a sample of items and sizes here in school so that parents can more easily see items they are purchasing. Please plan ahead as items in school are for viewing only.

Should you not meet the next order date of July 8th, please purchase items online and collect them directly from Edge Clothing, Wareham Road, Scarborough YO11 3UW should you need these for the start of term.

PARENT FORUM

One parent attended the parental forum on Friday. We discussed school uniform. Children are asked to wear school uniform of red or white polo shirt, school jumper or cardigan and black or grey bottoms: trousers, skirts, leggings or shorts. We spoke of red tops being far easier to keep looking clean! Clothing can be purchased from any shop. Embroidered items, should you wish to buy these, can be purchased

from <https://www.edgeclothing.co.uk/store/West-Heslerton-School-c122857512>

Children will be asked to continue to wear PE kit to school on PE days. This saves so much time changing and allows us to do more PE. PE kit is white top, black tracksuit, black sports trousers or black shorts.

We hope this will give enough scope for children to wear what they are most comfortable in whilst allowing us to clearly see pupils when we're out on visits etc.

FOOD FROM HOME

From time to time, parents like to send food into school to help their child celebrate a special occasion with their class.

We want to support parents choosing to do this and we are able to accept and share food that is clearly labelled in its original container, is nut free, gluten free and vegetarian. This usually means Haribo but we are happy to accept other things that meet these criteria should you wish to do this. We will send this celebration food home with children so that parents are able to decide if their child should eat this.

FARTHING WOOD – LONDON TRIP

Thank you for supporting our London visit. Your children have been brilliant and ready for every adventure we've offered them. As well as all of their belongings, we hope they've also returned with a greater interest in our history and exploring our amazing country and capital. After the hustle and bustle of a busy city we hope they can fully appreciate the amazing place they live.
