## ARCHITECTS PROJECT

### ARCHITECTURE WORKSHOP 1

Farthings and Keepers have been working with a company called MATT+FIONA to think about a 'Space for belonging'. They first explored our school grounds to think about the natural and man-made environment. They then created collages in groups.

## ARCHITECTS PROJECT

### ARCHITECTURE WORKSHOP 2

We then used our collage ideas to create models of our Space for Belonging in teams, using straws, cardboard, fabric, paper and tape.
