COVID

Should you have **any positive Covid test results**, please share these with us using covid@heslerton.n-yorks.sch.uk so that we can work with Health England. Emails are checked daily, including weekends, to identify cases of children at school and home. Pupils, staff and other adults must not come into the school if they have one or more coronavirus (COVID-19) symptoms. A PCR test should be arranged and pupils should stay away from school until the outcome is known. If positive, they should remain at home for at least 10 days. School regularly communicate with Public Health England and we are monitoring our situation. We have taken the decision to reintroduce bubbles as a temporary measure. PHE will impose restrictions if necessary which could include remote learning and cancellation of events.
