WELL DONE EVERYONE!!

“DISCOVERING DEIRA”

All classes joined together to launch the summer topic 'Discovering Deira'. Throughout the day, the children went back in time and experienced elements from Anglo-Saxon times. All children had the chance to make Anglo-Saxon bread, clay pots, shields and jewellery as well as crafting in an Anglo-Saxon style. A fantastic fun-filled day for everyone to develop a thirst for knowledge for these historical times.

All children visited York as part of their topic.

Farthing Wood went on a Viking walking tour with Sigwulf to find out about the city's Anglo-Scandinavian & Norman past, taking in various sites along the way. They heard about the deeds of Ivar the Boneless, Eirik Bloodaxe, and Harald Hardaraada, learnt how the streets got their names and what they mean and discovered how those pesky Pagans shaped the Christian church.

Keeper Wood visited the Yorvik Museum during the morning and walked the walls in the afternoon.

Badger Wood visited the Yorvik Museum and took part in a "Viking Saga" Workshop.

Professor Dominic Powlesland came into school to talk about the local Anglo-Saxon archaeological dig that happened in Heslerton. The children were lucky enough to be able to get a close look at a find that could have possibly have been Beowulf's sword!

The end of the topic was celebrated along with parents.
Badger Wood hosted a "come and do" to take part in Anglo-Saxon and Viking activities.
Keeper Wood created a museum of artefacts they made during this topic.
Farthing Wood had topic team displays in their formal museum.

West Heslerton Primary School Disco

Friends of School organised a Springtime Disco which was enjoyed by all the children.

Parent Evening

An Open Evening was held for all parents.

Stay and Play

Badger Wood hosted Stay and Play afternoons for parents of children in Badger Wood.

Secondary Schools

The children in year 5 have visited Norton College and Malton School to experience secondary school life.

Children in year 6 have spent 2 days at their new secondary schools, meeting other children and seeing what life will be like there.

Internet Safety Workshop

O2 and the NSPCC have joined forces to help all children and their families in the UK stay safe online. They offer useful tools, support and guidance to help parents and carers have conversations with their children about their online lives.

As part of this, they came in to talk to all children and an online safety workshop was held for parents and carers. This helped parents and carers understand their child's online world and build confidence to have those important conversations that can help keep children safe online.

If you need any support or guidance, check out their website pages and step-by step guides online, call the O2 and NSPCC Online Safety Helpline on 0808 800 5002, or pop into your local O2 store for help from a Guru.

Bikeability

Children in years 5 and 6 took part in Bikeability training at school. All children did really well and were awarded certificates after practical and written assessments.

I Thrive

Children in years 5 and 6 attended the I Thrive festival at Malton School. They worked in mixed groups with children from other schools on 5 activities: science, maths, reading, writing and outdoor learning. They were able to hand over the money raised by school's charity stalls in aid of Cancer Research. West Heslerton raised £185.85. A grand total of £997.85 was raised by all schools.

Charity Stalls

Following our R.E. work on charities, children in Keeper Wood decided to run different stalls for a range of charities including Cancer Research, RNLI and Children in Need. They chose how their stall would raise money and were all successful. Well Done!

Scampston Scramble

Saint Catherine's very first Scampston Scramble took place at Scampston Hall.

Heslerton School staff took on a fun filled 5k course with obstacles to wriggle under, dive over and splash through! Thank you to all who sponsored them.

Crucial Crew

Year 6 pupils attended Crucial Crew in Scarborough where they were faced with different situations, learning to analyse risks and to deal with emergencies. These included issues such as alcohol, fire, road traffic accidents, beach safety etc.

Thank you to Mrs Heron and Mrs Mallinson who helped with transport.

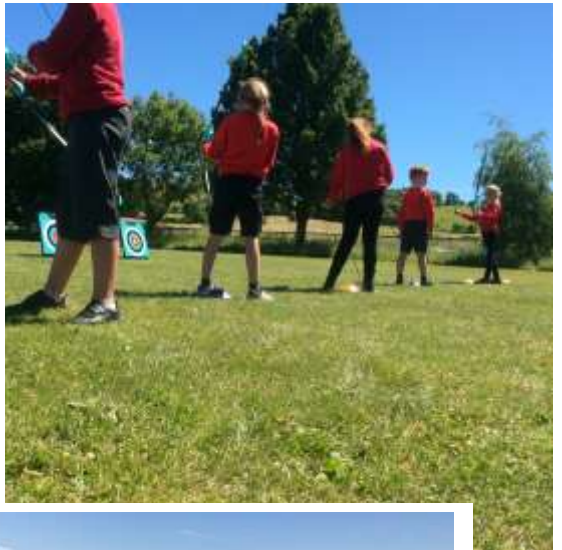

Forest Schools

Hertford Vale School visited Badgers during the term for Forest Schools, including a snail based afternoon making snail habitats!! They also came on the Viking hunt using compasses.

All children have spent Friday afternoons outdoors, visiting Badger Wood and Keeper Wood, Heslerton Hall and spending time in our wild life and gardening area for a range of outdoor activities.

Children's University

The Y6 Children's University members enjoyed their extra special graduation at Scarborough Spa.

Other children were awarded certificates at a special parent assembly. Well done to all who take part in this valuable project, it is certainly a rewarding experience:

SCHOOL PLAY

Dave Webb, performance poet, spent a week in school working with the children upon an end of year play, based on their topic. The children chose their own parts and helped to create and develop the story. "The Memory Shop, (The drum)" was performed for parents and family at the end of term and was enjoyed by the children taking part and families watching. Well Done to all the children who gave wonderful performances of drama, music and singing.

An Old Curiosity Shop.

In the window of an Old Shop

sits a very big Drum which seems to
draw passers-by to it.

No-one can explain what it is doing there

But in a strange way it is telling its
own Life Story.

It affects those with a Story to tell
and becomes part of their Story.

Ticket money raised £70 for Cancer Research and £70 for Sal's Shoes.
