

What is in my book to help me improve?

When I work with an adult, they draw two **red** stick people in my book. I get feedback during the lesson and the adult initials my work.

My teacher **always** checks and initials my work when I have worked without an adult.

WALT

When I see my **WALT** underlined in **blue** I know my teacher has checked my learning and I have achieved what they expected.

- WALT

When I see a **blue** dot next to **WALT** I know my teacher has checked my learning and I have some **red** marks on my work as a helpful reminder.

- WALT

When I see a **red** dot next to **WALT** in my book, my teacher is still pleased with me, but they want to **talk** to me about my work.

When I see a **blue** arrow next to my **WALT** I have achieved beyond what they expected.

When I see a **blue** tick next to my work I know that I have impressed my teacher.

I can also receive college points and marbles for my effort and achievement.

When I have **really, really impressed** my teacher with my efforts, my teacher sends me to Mr Isherwood to show him what I have achieved.
