## Dear Families

The Young Voices choir presented in assembly this week and performed their favourite song. It was well received and the whole school joined in on the second performance. I hope this has inspired some new members for next year.

Kate Belcher, a hearing specialist came to visit Year 3 / 4 on Wednesday afternoon. She taught the children about different parts of the ear and how vibrations help us to hear. They were shown photos of the inside of an ear and were able to look at a large-scale model. Kate talked to the children about what hearing loss actually is and that there are different levels of hearing loss. The Year group asked a lot of interesting and purposeful questions. We hope she visits us again.
