

PE & SPORT PREMIUM REPORT 2020-2021

West Kidlington
Primary & Nursery School

WEST KIDLINGTON SCHOOL VISION FOR THE PE PRIMARY FUNDING

INTENT

To help our pupils fall in love or develop a love of being physically active and healthy through a range of sports, events or activities. Furthermore, we aim to help the children develop life skills through the power of sport and physical activity.

IMPLEMENTATION

By promoting the benefits of being physically active and how sport can contribute to a healthy mind.
By providing a range of engaging physical activities and sport with an emphasis on life skills.

IMPACT

Provide high quality and engaging PE lessons and physical activities.
Providing the opportunity for our pupils to experience a range of physical activities and sport during PE lessons, lunch and break times.

Key achievements to date:	Areas for further improvement:
<ul style="list-style-type: none"> 🌐 Silver School Games award 2017/2018 🌐 Gold School Games award 2018/2019 🌐 Gold School Games award 2019/2020 (frozen) 🌐 Gold School Games award 2020-2021 (frozen) 🌐 100% of pupils have participated in competitive/non-competitive festivals – 2017/2018, 2018/2019 🌐 Access for all year 3 and 4 children to participate in swimming lessons 🌐 Free after school clubs for year groups 1-6 – with over 60 children participating each term 🌐 Improved provision of break and lunch time clubs since 2017 🌐 Change 4 Life Club running for 1 hour each week for over 25 different children since 2017 	<p>From the impact of Covid we would like to work to build the following areas:</p> <ul style="list-style-type: none"> 🌐 Reintroduce playground activities to help children stay active 🌐 Run intra festivals within the school 🌐 Take a deeper dive into 'my personal best' life skills and how this fit within our PE programme 🌐 Identify and work with individuals for the change for life club

Intent	Implementation	Funding Allocated	IMPACT
Provides for all 5 of the key indicators			
Access to high quality Physical Education provision, creating a positive impact on behaviour and the development of life skills for all pupils	Specialist PE Primary School Teacher	£12,040	Appointing a Physical Education specialist has a significant impact on the behaviour of the children and the experience we can offer the children here at West Kidlington. Our PE specialist has created an active environment which encourages the children to be active without making much effort. We have a wide range of sports and physical activities which have been set up and designed by our PE lead. Furthermore, our PE specialist organises the additional sport in which we offer at the school. These include; NOSSP festivals, free after school clubs 3 times a week, after school fixtures, intra competitions, the change 4 life club, sports day and KS1 festivals and holiday camps during the half terms. Since 2017-2018 we have had a rise in the number of children that are active during play and away from school.
Access to high quality PE support to help develop teacher knowledge	NOSSP Mentor from Gosford Hill School	£2,000	This affiliation gives us access to regular expert advice and support from a secondary PE specialist, quality assured professional development training for teachers and teaching assistants, termly networking opportunities for our PE lead, occasional input and support from qualified sports coaches, access to regular sports competitions and festivals including national School Games competitions, support with the development and delivery of primary Change4Life sports clubs, links to quality assured community clubs and leisure providers, data collection to help measure and monitor progress and impact and regular national and local updates relating to PE, children's health and well-being and school sport.

To provide the pupils of our school access to competitive and non-competitive fixtures and festivals	School Games and NOSSP partnership	£2,000	This affiliation gives us access to regular festivals throughout the academic year. These festivals provide the children of our school to experience competition and sporting values away from our site. All 5 schools affiliated with the partnership enter these competitions which provides a great atmosphere for all of the children in the local area.
--	------------------------------------	--------	--

The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles

Access to high quality PE equipment and resources	Purchased additional PE and resources to support PE lessons – e.g. Basketball stand, nets, bean bags	£490.00	Initial spend has shown improvements in the quality of PE lessons – each pupil can have a ball each, this results in more practice/'playing time', leading to greater participation in lessons, after schools clubs and external clubs
Access to increased range of resources to facilitate active play	Purchased additional playtime resources so that children have a wider range of sports/activities to access	£582.00	Initial spend has shown that children are becoming more inclined to take part in physical activities during break and lunch times, having only a select few which need additional support
Training of Lunchtime staff to facilitate active play	Funding for lunchtime staff to attend a day on positive play linking to the school values	£300.00	Lunch time staff are better equipped to spot less active children and use a variety of methods to engage these children in active play

The profile of PE and sport being raised across the school as a tool for whole school improvement

Access to high quality PE equipment and resources	Purchased additional PE and resources to support PE lessons – e.g. Basketball stand, nets, bean bags	£260.00	Initial spend has shown improvements in the quality of PE lessons – each pupil can have a ball each, this results in more practice/'playing time', leading to greater participation in lessons, after schools clubs and external clubs
Improved access to resources and training	Lunch time staff to receive training.	£270.00	Continue to monitor lunch and break time behaviour – asses training and methods if appropriate

for staff, in turn will lead to better behaviour during play times	Improved recourses will widen range of activities on offer.		
After school clubs made free for all children	To offer free after school clubs in year groups over the academic year	Linked to £12,040 spend	🌐 All after school clubs have been full each term with over 60 children attending. A variety of different sports have been provided throughout the academic year
Offer a wide range of after school clubs alongside the most popular sports within the school	Clubs meet a varied interest of children within the school.	£150.00	🌐 All clubs have reached maximum capacity – including newly introduced sports such as; handball and dodgeball
Increased confidence, knowledge and skills of all staff in teaching PE and sport			
Staff to work alongside specialist PE teacher	Various teachers working with specialist PE teacher during school time and after school	Linked to £12,040 spend	🌐 Teachers updating knowledge based around coaching methods, school PE philosophy and progression. Continue to monitor progress and provide continuous professional development where appropriate
Improved access to resources and training for staff, in turn will lead to better behaviour during play times	Lunch time staff to receive training. Improved recourses will widen range of activities on offer.	£120.00	🌐 Continue to monitor lunch and break time behaviour – asses training and methods if appropriate
Broader experience of a range of sports and activities offered to all pupils			
After school clubs made free for all children	To offer free after school clubs in year groups over the academic year	Linked to £12,040 spend	🌐 All after school clubs have been full each term with over 60 children attending. A variety of different sports have been provided throughout the academic year

Offer a wide range of after school clubs alongside the most popular sports within the school	Clubs meet a varied interest of children within the school.	£150.00	 All clubs have reached maximum capacity – including newly introduced sports such as; handball and dodgeball
To attend local sport competitions and festivals	Transport and cover so that the children can participate in the wide variety of festivals and competitions	£2000 Linked to NOSSP Affiliation spend	 This has provided children with opportunities to compete within the later stages of festivals and competitions which are not hosted locally.

NOSSP IMPACT 2020/2021

Due to the recent pandemic, West Kidlington Primary School did not attend any NOSSP event during the 2020-2021 academic year.
