West Kidlington

Primary & Nursery School

WEST KIDLINGTON SCHOOL VISION FOR THE PE PRIMARY FUNDING

INTENT

To help our pupils fall in love or develop a love of being physically active and healthy through a range of sports, events or activities. Furthermore, we aim to help the children develop life skills through the power of sport and physical activity.

IMPLEMENTATION

By promoting the benefits of being physically active and how sport can contribute to a healthy mind.

By providing a range of engaging physical activities and sport with an emphasis on life skills.

IMPACT

Provide high quality and engaging PE lessons and physical activities.

Providing the opportunity for our pupils to experience a range of physical activities and sport during PE lessons, lunch and break times.

Key achievements to date:	Areas for further improvement:

We have reintroduced a wide range of activities during break and lunch times. We would like to target and track the physical activity levels of the children who need additional support for the upcoming year.</p> <ul style="list-style-type: none"> 🏆 Run intra festivals within the school – targeting the less active children. 🏆 Have 100% of children attend festivals again. 🏆 Run a more efficient change 4 life club based off information from parents and children. We will then use this information to increase knowledge and participation within this group.

Provides for all 5 of the key indicators			
Access to high quality Physical Education provision, creating a positive impact on behaviour and the development of life skills for all pupils	Specialist PE Primary School Teacher	£12,040	Appointing a Physical Education specialist has a significant impact on the behaviour of the children and the experience we can offer the children here at West Kidlington. Our PE specialist has created an active environment which encourages the children to be active without making much effort. We have a wide range of sports and physical activities which have been set up and designed by our PE lead. Furthermore, our PE specialist organises the additional sport in which we offer at the school. These include; NOSSP festivals, free after school clubs 3 times a week, after school fixtures, intra competitions, the change 4 life club, sports day and KSI festivals and holiday camps during the half terms. Since 2017-2018 we have had a rise in the number of children that are active during play and away from school.
To provide the pupils of our school access to competitive and non-competitive fixtures and festivals	School Games and NOSSP partnership.	£2,200	This affiliation gives us access to regular festivals throughout the academic year. These festivals provide the children of our school to experience competition and sporting values away from our site. All 5 schools affiliated with the partnership enter these competitions which provides a great atmosphere for all of the children in the local area.
The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles			
Access to swimming facilities and staff to attend swimming each week.	Additional cover required for children to participate in weekly swimming provision – Year 3	£1000	Initial spend has provided the opportunity for our year 3 pupils to participate in weekly swimming lessons throughout the year.
The profile of PE and sport being raised across the school as a tool for whole school improvement			
Access to high quality PE equipment and resources	Purchased additional PE and resources to support PE lessons – e.g. Basketball stand, nets, bean bags	£1569.19	Initial spend has shown improvements in the quality of PE lessons – each pupil can have a ball each, this results in more practice/'playing time', leading to greater participation in lessons, after schools clubs and external clubs.
