Instructions

Use the picture cards to help you. If you wish, you can draw some more activities that you enjoy in the blank boxes. Cut out the cards and use the box template to make a box that you can put the cards in. Each week, you can choose one of the things you love to do and discuss this with the adult you care for. You could also talk to another adult or a brother or sister about what you would like to do. You can decide together when you will have time each day to do the things you love.
