

KS5 – April 2024

Newsletter

Welcome to our April newsletter. We'd like to share and celebrate some of the wonderful activities which have taken place throughout the last month.

April has been a short month in school following the Easter break. It has been lovely to welcome all our students back for the summer term. Students continue to work hard and this month has seen the return of the Pop up Café amongst many other fabulous learning experiences.

Skills Builder helps build essential skills in 8 skilled areas. Why not take part in March's monthly challenge. March's skill focus is Aiming High.
