

KS5 – February 2024

Newsletter

Welcome to our February newsletter. We'd like to share and celebrate all the wonderful activities which have taken place throughout the last month.

February has seen students make pancakes, raise money for charity and learn about Chinese New Year....The year of the Dragon. It certainly has been a busy month! In Asdan, students have been learning about the news and creating news reports as well as learning about personal hygiene and some of the products that they can use. Students continue to learn in the community too, developing their functional English and Maths skills.

Skills Builder helps build essential skills in 8 skilled areas. Why not take part in March's monthly challenge. March's skill focus is Aiming High.
