

KS5 - January 2024

Newsletter

Welcome to our January newsletter. We'd like to share and celebrate all the wonderful activities which have taken place throughout the last month.

Students have been busy throughout January. Students have been learning about TV and Film in their English lessons and shape, space and measure in their maths sessions. In addition to this, students have continued with their Asdan studies. Students have also been learning about friendships in PSHE and how we can help each other by being friendly and kind.

Skills Builder helps build essential skills in 8 skilled areas. Why not take part in February's monthly challenge. February's skill focus is Staying Positive.

February's Skills Builder Challenge

Get a piece of paper and use it to write, draw or find pictures that represent everything that you have done to make yourself feel proud.

Learning in the community

Students have enjoyed shopping for their ingredients for Lunch in Unit. Students have been working on their communication and problem solving skills.

Lunch in Unit

Students in KS5 have been making lots of wonderful meals as well as developing their skills in preparing food.

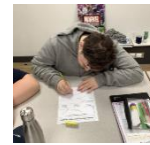

Great team work!

Functional Maths

Students have been working hard learning about shape, space and measure.

Students have enjoyed lots of practical activities to support their understanding.

Thrive

Students continue to enjoy Thrive time every morning.

This time provides students with the opportunity to 'check-in', have something to eat and drink and help prepare themselves for the day ahead.

Students use Zones of Regulation to help communicate how they are feeling.

Weekly Class

Attendance Winners

95% - 100%

8th - 12th Jan - KS5W & KS5L

15th - 19th Jan - KS5W

Well done to all our class winners

Students in KS5S have enjoyed celebrating Australia Day. They had great fun making didgeridoos and enjoyed listening to and playing instruments along to Australia themed music.

In the Community

Students in KS5H did an amazing job litter picking!
