

Learning at Home

     
A virus called Coronavirus can make some people very poorly.

       
School has been closed to stop spreading germs and keep us safe.

   
I have been at home doing good activities.

  
Being at home has kept me safe.

    
Adults are happy that I have kept safe at home.

    
Adults are happy that I have done good activities.

    
School is now open for some students.

   
Some students will learn at school.

   
Some students will learn at home.

  
I will learn at home.

 
This is to keep me safe.

   
At home I can do good activities.

        
I can tell my friends and staff about the good activities I do at home.

   
I am learning at home to be safe.
