

KS5 – May 2024

Newsletter

Welcome to our Marvellous May newsletter. We'd like to share and celebrate some of the wonderful activities which have taken place throughout the last month.

May has been a busy month for our students. The month of May saw our first group of Bronze Duke of Edinburgh students taking part in their expedition. We are very proud of their achievements. As the weather continues to improve, students continue to enjoy their learning outside the classroom and developing their skills in the local and wider community.

Skills Builder helps build essential skills in 8 skilled areas. Why not take part in June's monthly challenge. June's skill focus is Aiming High.

June's Skills Builder Challenge

As we enter the final half term of the academic year think about all you have achieved. What has been your proudest moment?

KS5 Enrichment Day

Students in have been enjoying enrichment days every Wednesday. Students have experienced several different activities including creating their own hand puppet monster, social communication through games and some time relaxing in the immersive room

Pop up Café

Students in KS5W continue to use their hospitality skills to develop their Pop up Café in school. Students continue to work together to support parent events.

Lunch in Unit

Students continue to make scrumptious meals as part of their LIU sessions. Some students have been learning about dietary requirements and the importance of this when planning and preparing meals.

Communication, Language and Literacy

Students have been loving engaging with their CLL topic - their secret treehouse. Students talked about how they feel inside their treehouse.

Money Matters

KS5C have been using coins to buy different breakfast items. They practiced calculating change from £1.00 and thought of different coins they could use to make the total amount needed for their shopping.

KS5S have enjoyed learning about the adventures of the Very Hungry Caterpillar. They listened to our sensory story and then made their own butterflies to go on their classroom window.

Dates for Diaries:

12th June – Parents Evening from 3:30pm
