

KS5 – October 2023

Newsletter

Welcome to our October newsletter. We'd like to share and celebrate all the wonderful activities which have taken place throughout the last month.

Firstly, we would like to welcome you back after the half term holidays. The first half term has been a busy time for all our students as they become familiar with their new routines and timetables. All students have experience offsite learning. Learning outside the classroom is an important part of our curriculum. The opportunities begin to prepare students for life as a young adult.

Skills Builder helps build essential skills in 8 skilled areas. Why not take part in November's monthly challenge. November's skill focus is Problem Solving.

November's Skills Builder Challenge

Imagine that you are going on a trip to a place that you have never visited. What information do you need to know to successfully plan the trip and make it as fun as possible?

Students have been working hard in the gym. They enjoy setting themselves challenges to help develop their fitness.

Students have been working hard down at the Leeds Liverpool Canal. Students have been making and hanging bird feeders.

Adventurous Activities

KS5L have been experiencing and taking part in canoeing at Scotman's Flash.

Thrive

As part of our early morning Thrive time, Matilda and Frank, the school's therapy dogs will be coming to visit classes on a Tuesday.
