

THINGS WE ARE DOING THIS YEAR TO MAKE SCHOOL BETTER FOR YOU!!

With Westie's help:

All children will get better at knowing how to keep themselves safe and healthy and if you are off school, you will get lessons on the computer

The Westie Curriculum will change to make it even more exciting and enjoyable

If any child needs extra support, all teachers will get better at helping them learn

When we look at your work, we will get better at telling you what to do next

All children will get better at Reading, Writing and Maths

All teachers will work with each other and other schools to make your lessons even better
