

## Westbrook Old Hall Primary - 'The Westie Curriculum'

We have tailored our curriculum to meet the needs of our children. We want each and every child to maximise their own personal potential and to learn with a smile. We are a family of learners on a journey and our creative curriculum will challenge, stimulate and provide enjoyment.

We aim to inspire our children to have a love of learning which will prepare them for their future adult lives!!

Our curriculum is enquiry based and built upon progressive, spiral key learning outcomes for skills and knowledge. The curriculum is enriched through experiences and opportunities for learning which will become memories of school never to be forgotten.

The Westie Curriculum ensures our children regularly practise what they have learnt so they develop their long term memory to retain key knowledge and skills in a range of subjects.

Know more! Remember more! Use it more!

Learning Values:

- Self-Motivation
- Creative Thinking
- Resilience
- Independence
- Valued Collaboration
- Emotional Intelligence

These values will guide our children to be confident learners with a respect for themselves and each other as part of our family ethos.
