

Breakfast Club

Children will be able to choose from a variety of cereals and other breakfast favourites such as croissants, toast and pancakes and these will be accompanied by a choice of fresh orange juice, milk or water.

We will provide varied activities for your child to engage in until the handover to school. Activities will include board games, ICT equipment, arts & crafts, construction equipment, outdoor play etc.

The cost of each Breakfast Club session is £4.00, sessions are run from 7.30 am until school commences.

After School Club

Upon arrival at Link Club, children will be provided with a healthy & nutritious snack and a choice of water or juice, to tide them over until their evening meal at home.

We provide a wide range of activities which meet the needs of all the children in a safe, fun and caring environment. Activities will be planned on a weekly basis and there will also be the opportunity for free choice activities and access to the outdoor area.

Whilst we understand children would like to unwind and relax after a hard day at school, there will also be the opportunity for them to read or do their homework.

Our team of qualified and experienced staff work in close partnership with school to ensure the same ethos & rules are maintained.

The cost for After School Club is as follows:

Short session until 4.00pm	£ 3.00
Until 5.00pm	£ 6.00
Full session (3.15-6.00pm)	£ 7.00

Charity

Old Hall Pre-school & Link Club is a registered Charity which benefits by being managed by a management committee (Trustees). They themselves are parents of children who attend the organisation or occasionally somebody who has an interest in the pre-school or link club (for example a parent who has a child who will be attending pre-school when they reach the admission age) who volunteer to stand as a committee member. The Trustees work together to ensure the Pre-school pursues its aims, as defined in its governing document, the Pre- School Learning Alliance 2011 Constitution.
