

# Are you living away from home?

## Are you under 16 years (18 if disabled)? Are you staying for 28 days or more?

If you are staying with friends or someone who is not a close relative the law calls this private fostering.

This might be because of:

- a) Your parents separating, divorcing or other problems at home
- b) You have been sent to this country for education or health reasons
- c) You are living with the family of a boyfriend or girlfriend.
