

ART

What is Art? This is a question to which there are lots of different answers... Art can be a way to record events or places or people; It can be a way to express feelings and emotions. It can be for decoration or it may serve a practical use. It can be something that requires a lot of time and patience and skill, but sometimes it can be quick and simple and more to do with how it makes you feel.

Lots of Artists put themselves in the picture by drawing and painting Self- Portraits. Look at the examples below for inspiration then draw yourself in this ornate frame!

Here is a picture by the artist Henri Matisse. He used to make colourful paintings. When he became older, he started to use coloured paper cut into shapes with scissors to create his art. This picture is an example of one of his "cut-outs". Can you carefully colour it in to create a striking design? Choose your colours carefully.
