25th January 2021

Dear Parents and Carers,

Careers Fairs

Having an insight into the world of work is important in helping your son to make informed decisions when choosing his career path through life.

We would normally be arranging visits to careers and apprenticeship fairs as well as visits to and from selected employers. Unable for these visits to take place in the traditional manner some organisations have organised virtual events. During the coming months we will be providing a schedule of virtual careers and apprenticeship fairs as well as virtual visits to employers and training providers.

This Wednesday (27th January) there is an opportunity to access two such events:

- 10.00 am – 2.00 pm. **North West Virtual Careers Fair**. Once the virtual doors open it will be possible to engage with all the companies present at the fair.

- 5.00 pm – 8.00 pm. **Apprenticeship Virtual Careers Fair**. A chance to choose which talks to attend from the menu.

Please encourage your son to make use of the information provided but also ensure that he has completed any work set by his teachers before participating in the day session.

Many thanks for your continuing support.

Yours sincerely,
