28th March 2022

Dear Parent/Carer

I am writing to you today with important and exciting news about changes to the school meals service at West Hill School after our return from the Easter break.

We are delighted to announce that Taylor Shaw, a leading education catering specialist, will be our new catering partner. Taylor Shaw currently operate services in over 800 schools, colleges and universities across the United Kingdom. Their teams of expert chefs and managers will be supporting our catering teams in delivering a brand-new range of appealing food and drink at breakfast, break and lunchtime. All of our menus will continue to be fully compliant with the government's School Food Plan and Taylor Shaw will ensure that all students have a popular, healthy and affordable choice every day, with options to meet the needs of all age groups and those with notified special dietary requirements.

Our boys played a part in the selection of this company, and will be involved in shaping the provision moving forward. More information about the new service including menus, will be published over the coming weeks.

We have planned extensively for the new school meals arrangements, however, as with all major new initiatives and changes in school, we do ask for your patience and support in making this transition as successful as possible.

Yours faithfully

Mr Owens.
