Dear Parents and Carers,

## Post-16 Applications

Most boys have already made at least one application to college for a desired course of study when they leave West Hill. Please check that your son has done so.

College application deadlines are imminent so outstanding applications should be made without delay. Alongside full-time courses, some colleges as part of the application process may also offer apprenticeship opportunities, should they become available.

As a reminder please find below a list of application contact details for local colleges:

Colleges normally conduct telephone interviews with applicants on a rota basis of received applications. Boys should ensure that their mobile phone (number as given on the application form) is switched on and charged up. The calls will usually be between 5.00 pm and 7.00 pm.

The following points should be considered:

- (1) reasons for studying the course;
- (2) best and favourite subjects;
- (3) skills and any related experience;
- (4) career aim;
- (5) any questions.

Yours sincerely,
