24<sup>th</sup> March 2021

Dear Parents and Carers,

## Virtual Events

Details of stimulating and challenging activities to be enjoyed during the Easter break can be accessed on the two websites below.

- **Friday 26<sup>th</sup> March – Sunday 4<sup>th</sup> April : Festival 2021 for all the family**

More than 350 free online events and activities for everyone to participate at home have been organised by the University of Cambridge. This year the Cambridge Festival will include quizzes, boredom busters and activities to help explore our world.

To download the magazine with the menu of activities and to have access to the virtual events:

- **Tuesday 6<sup>th</sup> – Friday 16<sup>th</sup> April : Virtual Work Experience for Years 9-11**

A number of virtual work experience programmes have been organised by Springpod to take place in the **two weeks between the 6<sup>th</sup> and 16<sup>th</sup> April**. The programmes are all completely free, however they do involve around 10 hours of activity but allow participants to take part in the programmes alongside school or other commitments.

Although you do not need to be available full time during the dates of the programme, it is important that you are able to complete 10 hours' worth of activity over the two weeks. **Remember we return to West Hill in the second week of the programme (Monday 12<sup>th</sup> April).**

The programmes include virtual work experience in business, engineering, finance, law, media, medicine and allied health professions together with speakers from their respective career areas.

**Closing date for registering for most programmes is Monday 29<sup>th</sup> March.** The number of places on each programme is limited.

You can find a list of programmes by applying for them using [this link](#) – alternatively, you may register on:
