5th July 2021

Dear Parent/Carer,

We have been advised that there have been a number of confirmed cases of COVID-19 within West Hill School over the past few days.

We have contacted all parents of pupils who have currently been identified as a close contact, and will continue to do so over the coming days, as necessary. In the meantime, please continue with self-testing at home (Lateral Flow Tests).

If your son, or anyone in your household, develops any symptoms, your whole household must remain at home and not go to work, school or public areas. You should arrange a PCR test for the person who has developed symptoms.

Testing can be arranged by calling 119 or via the NHS website: www.nhs.uk/coronavirus.

There are things we can all do to help reduce the risk of you and anyone you live with getting ill with COVID-19:

- wash your hands with soap and water often – do this for at least 20 seconds;
- use hand sanitiser gel if soap and water are not available;
- wash your hands as soon as you get home;
- cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze;
- put used tissues in the bin immediately and wash your hands afterwards;
- allow ventilation in the house through opening windows;
- maintain an appropriate social distance with non-household members of over 2 metres.

Further information is available at www.nhs.uk/coronavirus.

Yours sincerely

Mr A Owens

Headteacher
