September 2020

Dear Parents and Carers,

On behalf of the Board of Trustees I would like to extend a warm welcome to all the new families joining us and welcome back all of our existing families.

As some of you are aware in the spring we announced the departure of the previous headteacher. Since that time Mr Owens has been doing an excellent job of leading West Hill School. He has continued to promote the traditional values of West Hill School, which I am sure is one of the reasons you chose West Hill for your son.

He is also leading the school in continuous improvement and development for the modern and changing world which we live in. In addition, his calm and logical leadership has lead us through the COVID pandemic. We are proud to say we have been able to open to all year groups on a full time basis, maintain form groups, as we believe these are vital to support your son in these changing times, and still offer all subjects. Maintaining a rich and varied education for your son in a safe and secure environment is paramount.

So we are delighted to confirm that Mr Owens has accepted the appointment of headteacher.

The board has been restructured over the last twelve months and some new trustees have joined us. The board is selected on a skills basis to ensure we have a variety of skill sets to contribute to the leadership of West Hill School. We have worked closely with the senior leaders and staff to produce an ambitious vision for West Hill for the future. This can be found on our website.

Even amid all the current uncertainty myself and the board are excited for the future and feel positive that all members of our community can deliver that vision. We currently have a vacancy on the board of trustees for somebody with financial experience. If you, any friends or family are interested in joining the board please contact: admin@westhillschool.co.uk , and mark FAO Mrs J. Hemmings, for further details.

Best Wishes

Dr Martha Davies
Chair of Trustees
