Dear Parents and Carers,

Virtual College and Apprenticeship Events

Further to the letter sent last Monday, I have added details of some other virtual events taking place throughout next week as part of the National Apprenticeship Week.

Please ask your son to check the webinars listed in both letters and to join those events, which are in line with his career aspirations. This is also an opportunity to make any late applications. Your son should also ensure that he has completed any work set by his teachers before taking part in the day sessions.

- **Monday, 8th – Friday 12th February: Clarendon Sixth Form College.**

An opportunity to gain an insight into college life in one's own time of choosing throughout the week, starting on Monday at 9.00 am. This will include an interactive tour of the campus, course overview videos (A-levels and vocational) from teachers together with sample takeaway tasks as well as details of the talented and gifted programme.

- **Monday, 8th – Friday 12th February: Tameside College.**

Information will be available on the open day microsites from 9.00 am on Monday and throughout the week. This can be viewed in one's own time. Included will be an interactive tour of the campuses and resources available together with a comprehensive overview of all the programme areas, course information packs and sample takeaway tasks. Details of support for applicants are given as well as help in making an application. On Monday at 4.00 pm there will also be a live Q & A Facebook webinar on apprenticeships. This live apprenticeship webinar will be uploaded to the microsite to be viewed afterwards for those who miss the live version.
