Dear Y11 Parent/Carer

You will be aware of the approach taken nationally regarding the awarding of GCSE grades this summer. The details can be found at [https://files.schudio.com/westhillschool/files/documents/JCQ-Guidance-for-Students-and-Parents-on-Summer-2021_\(1\).pdf](https://files.schudio.com/westhillschool/files/documents/JCQ-Guidance-for-Students-and-Parents-on-Summer-2021_(1).pdf)

As we adhere to this guidance, we also remain committed to ensuring your son has every opportunity to demonstrate the best work he can, in order to achieve the best grade he can.

Your son will therefore need to be fully engaged in all lessons in order to produce evidence that reflects his capabilities. Some of these lessons may involve more formal assessments. Class teachers will inform boys of the timing and content of any such assessments to allow your son time to fully prepare. Boys are being supported in these preparations at school both in form time and lesson time.

The regular timetable for Year 11 will continue until **Friday 28th May**. Some boys may be required to produce additional evidence after this date and as such all boys will need to be available to attend school, if requested, until **Friday 18th June**.

It has been confirmed that results will be issued on **Thursday 12th August**. Currently our plan is for these to be emailed home, as well as being available for collection from the Assembly Hall from 9.30 am. We will inform you if this plan changes.

If you or your son requires any information or guidance on college/apprenticeship applications Mr Musiol and Mrs Sherrington will be available in school on results day. In addition they can be contacted via email prior to, and after results day, using musiol@westhillschool.co.uk or sherrington@westhillschool.co.uk

Please also mark **Thursday 18th November 2021** in your diary. On this evening we will be celebrating your son's five years at West Hill School during our annual leavers' Presentation Evening. This is usually an outstanding night and marks the final formal contact between school and your son.

As ever the above is subject to change. We would like to take this opportunity to recognise all the support from yourselves as a parent body, in working with us through what have been uniquely challenging times. We remain committed to supporting you and your son in these final few weeks. Should you need to speak to us during this time, please get in contact via the main office.

Yours sincerely

Mr Owens
